2.2 Basis for Measurement

The financial statements have been prepared on historical cost basis except for certain assets which are stated either at revalued amount or fair market value as explained in the accompanying notes and, therefore, do not take into consideration the effect of inflation.

2.3 Accrual Basis Accounting

The Financial Statements have been prepared, except for Cash Flow Statements, using the accrual basis of accounting. Under this concept, the company recognises items as assets, liabilities, equity, income and expenses when they satisfy the definitions and recognition criteria for those elements as per related accounting standard and framework.

2.4 Functional and Presentation Currency

These financial statements are presented in Bangladesh currency (Tk./Taka/BDT), which is both the functional and the presentation currency of the Company. All financial information presented in Taka has been rounded off to the nearest integer.

Transactions denominated in foreign currencies are translated into Bangladeshi Taka and recorded at rates of exchange ruling on the date of transaction in accordance with IAS 21 "The Effects of Changes in Foreign Exchange Rates".

2.5 Going Concern

The company has adequate resources to continue in operation for the foreseeable future. For this reasons the directors continue to adopt going concern basis in preparing the financial statements. The current credit facilities and resources of the company provides sufficient fund to meet the present requirements of its existing business.

2.6 Use of Estimates and Judgments

The preparation of Financial Statements in conformity with International Accounting Standards (IASs) or International Financial Reporting Standards (IFRSs) requires the management to make estimates and assumptions that affect the amounts of assets, liabilities, revenue, costs, expenses and other comprehensive income/(loss) that are reported in the Financial Statements and accompanying disclosures.

These estimates are based on management's best knowledge of current events, historical experience, actions that the company may undertake in future and on various other assumptions that are believed to be reasonable under circumstances.

2.7 Reporting Period

The Financial Statements covers the period from July 01, 2025 to September 30, 2025.

2.8 Component of Financial Statements

The components of these Financial Statements in accordance with the framework of IAS 1: Presentation of Financial Statements comprises the following:

- i) Statement of Financial Position as at September 30, 2025;
- ii) Statement of Profit or Loss and Other Comprehensive Income for the year ended September 30, 2025;
- iii) Statement of Changes in Equity for the year ended September 30, 2025;
- iv) Statement of Cash Flows for the year ended September 30, 2025; and
- v) Notes, comprising a summary of significant accounting policies and other explanatory information

2.9 Comparative Information and It's Rearrangement

Comparative information have been disclosed in respect of the previous year for all numerical information in the financial statements including narrative and descriptive information when it is relevant for understanding of the current year's financial statements.

Previous year's figure has been re-arranged and restated whenever considered necessary to ensure comparability with the current year's presentation as per IAS-8 "Accounting Policies, Changes in Accounting Estimates and Errors".

3.0 Summery of Significant Accounting Policies

The accounting policies for the Company set out below, which comply with International Financial Reporting Standard (IFRSs), International Accounting Standards (IASs), the Companies Act 1994 and Rules & Regulations of Bangladesh Securities & Exchange Commission which have been applied consistently to all periods presented in these financial statements

3.1 Property, Plant & Equipment (PPE)

Property, Plant & Equipment are recognized if it is probable that future economic benefits associated with the assets will flow to the company and the cost of the assets can be reliably measured. The cost of acquisition of an asset comprises its purchase price and any directly attributable cost of bringing the assets to its working condition for its intended use inclusive of inward freight, duties, non-refundable taxes and un-allocated expenditures etc.

Subsequent Costs

The cost of replacing part of an item of Property, Plant and Equipment's is recognized in the carrying amount of an item if it is probable that the future economic benefits embodied within the part will flow to the company and its cost can be measured reliably. The costs of the day-to-day servicing of Property, Plant and Equipment are recognized in the Statement of Comprehensive Income as incurred.

Depreciation

Depreciation is provided on the cost of the assets after commissioning, over the period of their expected useful lives, in accordance with the provisions of IASs 16: Property, Plant and Equipment Depreciation is charged on addition during the period when it is available for use. Depreciation is charged on all fixed assets except land and land development on reducing balance method at the following rates:

<u>Particular of Assets</u>	<u>Rate (%)</u>
Factory Building, Factory Laboratory	10%
Office, Administrative & Godown Shed	10%
Factory Boundary Wall	10%
Plant and Machinery & Local Machinery	20%
Furniture and Fixtures	10%
Office Equipment	10%
Vehicles	20%
Titas Gas Installation	10%
Gas Generator & Diesel Generator	20%
Machine Shed & Steel Rack	10%

Retirements and Disposals

When fixed assets are sold, the cost and accumulated depreciation are eliminated and revenue gain or loss (if any) is reflected in the Statement of Comprehensive Income that is determined on the basis of net book value of the assets and net sales proceeds or realized amount.

3.2 Capital Work-in-Progress

Capital work in progress consists of acquisition costs of plant and machinery, capital components and related installation cost until the date placed in service. In case of import of components, capital work in progress is recognized when risks and rewards associated with such assets are transferred to the company, that is, at the time of shipment is confirmed by the supplier.

3.3 Inventory

Inventories are measured at lower of cost and net realizable value in accordance with IASs-2 (Inventories). The cost of inventories includes expenditure incurred for acquiring the inventories, production or conversion costs and other costs in bringing them to their existing location and condition. In the case of manufactured inventories and work in progress, cost includes an appropriate share of production overheads based on normal operating capacity. Raw materials in transit are valued at cost. Net realizable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and selling expenses. The weighted average cost method has been used to determine the value of inventory.

3.5 Financial Instruments:

A financial instrument is any contract that gives rise to a financial asset to one party and a financial liability or equity instrument to another party.

i) Financial Assets:

Financial assets of the company include cash and cash equivalent, trade and other receivables, other long term receivables and deposits. The company initially recognizes the financial assets when and only when the company becomes a party to the contractual provisions of the transaction. All other financial assets are recognized initially on the date at which the company becomes a party to the contractual provisions of the transactions. The company derecognizes the financial asset when and only when the contractual rights or probabilities of receiving the flows from the asset expire or it transfers the rights to receive the contractual cash flows on the financial asset in a transaction in which substantially all the risks and rewards of ownership of the financial assets are transferred.

i)(a) Accounts Receivables:

These are carried at original invoice amount. This considered good and collectable, and therefore, no amount was written off as bad debt and no debt was considered doubtful to provide for.

i)(b) Cash and Cash Equivalents:

According to IASs 7 "Statement of Cash Flows", cash comprises cash in hand and demand deposit and, cash equivalents are short term, highly liquid investments that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value. IASs 1 "Presentation of Financial Statements" provides that Cash and Cash Equivalents are not restricted in use. Considering the provisions of IASs 7 and IASs 1 cash in hand and bank balances have been considered as cash and cash equivalents.

Other Current Assets:

Other current assets have a value on realization in the ordinary course of business that is at least equal to the amount at which they are stated in the Statement of Financial Position.

ii) Financial Liabilities:

The company initially recognizes the financial liabilities when and only when the company becomes a party to the contractual provisions of the transaction. The company derecognizes the financial liabilities when its contractual obligations are discharged or cancelled or expired. Financial liabilities include payable for expenses, liability for capital expenditures, Finance lease obligation, loans and borrowings and other current liabilities.

ii)(a) Finance Lease Obligation:

Leases in terms of which the entity assumes substantially all the risks and rewards of ownership are classified as finance lease. Upon initial recognition, the leased asset is measured at an amount equal to the lower of its fair value and the present value of minimum lease payments. Subsequent to initial recognition, the asset is accounted for in accordance with the accounting policy applicable to that asset.

ii)(b) Loans and Borrowings:

Principal amounts of the loans and borrowings are stated at their amortized amount. Borrowings repayable after twelve months from the date of Statement of Financial Position are classified as non-current liabilities whereas the portion of borrowings repayable within twelve months from the date of statement of financial position, unpaid interest and other charges are classified as current liabilities.

ii)(c) Accounts Payables:

The company recognizes a financial liability when its contractual obligations arising from past events are certain and the settlement of which is expected to result in an outflow from the entity of resources embodying benefits.

3.6 Impairment:

i. Financial Assets

Trade receivable is assessed at each reporting date to determine whether there is objective evidence that it is impaired. Trade receivable is impaired if objective evidence indicates that a loss event has occurred after the initial recognition of the assets and that the loss had a negative effect on the estimated future cash flows of that asset that can be estimated reliably.

ii. Non-Financial Assets

An asset is impaired when its carrying amount exceeds its recoverable amount. The company assesses at each reporting date whether there is any indication that an asset may be impaired. If any such indication exists, the company estimates the recoverable amount of the asset. The recoverable amount of an asset is the higher of its fair value less costs to sell and its value in use. Carrying amount of the assets is reduced to its recoverable amount by recognizing an impairment loss if the recoverable amount of the asset is less than its carrying amount. Impairment loss is recognized immediately in profit or loss unless the asset is carried at revalued amount. Any impairment loss of a revalued asset shall be treated as a revaluation decrease.

3.7 Taxation

Income tax expense comprises of current and deferred taxes. It is recognized in the Statement of Comprehensive Income and accounted for in accordance with the requirements of IASs 12: Income Taxes.

i. Current Taxation

The tax currently payable is based on the Taxable profit for the year and any adjustment to tax payable in respect of previous year. The company is a Publicly Traded Company. As per the Income Tax Act 2023 the rate of taxation applied at the rate of 20.00%.

ii. Deferred Taxation

The company does not require to compute deferred tax on PPE, because it charges depreciation as per method, conditions and rate(s) as specified in the 3rd Schedule of the Income Tax Ordinance, 1984. Depreciation has been charged on all items of Fixed Assets except for Land and Land Development on Reducing Balance Method. During the period, there were no temporary difference/s between Tax Base and Carrying Amount of an Asset or Liability.

3.8 Revaluation Reserve

Revaluation reserve arose from the revaluation of land and land development which were revalued on June 25, 2006 by M/S. GEOTECH Survey company (pvt) Ltd, a firm of professional valuers on the basis of market price prevailing in the country. The difference between revaluation and actual book value has been reported in accounts under the head Revaluation Reserve.

The company has revaluated (under 'Fair Value' method) its own land in the year of 2015 located at Squib Road, Tongi Industrial Area, Gazipur by independent valuer Mahfel Huq & Co. The area of the land is 311.10 Decimals. Book value of the land was Taka 67,411,905. After valuation, this is increased to 597,312,000. Revalued amount is Taka 529,900,095.

The Company does not currently enjoy any Tax Holyday Benefit.

3.10 Provisions, Accrued Expenses and Other Payables

Provisions and accrued expenses are recognized in the Financial Statements in line with the International Accounting Standard (IASs)-37 "Provisions, Contingent Liabilities and Contingent Assets" when

- the company has a legal or constructive obligation as a result of past event.
- it is probable that an outflow of economic benefit will be required to settle the obligation.
- a reliable estimate can be made of the amount of the obligation.

3.11 Contingent Liabilities

The Company does not have any contingent liabilities as on the reporting date.

3.12 Revenue (Turnover) from Sales

Net sale comprises the invoiced value of goods supplied by the company and consists of Sales of manufactured goods excluding Value Added Tax (VAT).

Revenue Recognition

The revenue is recognized after satisfying all the following conditions for revenue recognition as provided in IFRSs 15 "Revenue Recognition";

- i. The company has transferred to the buyer the significant risks and rewards of ownership of the goods;
- ii. The Company retains neither continuing managerial involvement to the degree usually associated ownership nor effective control over the goods sold;
- iii. The amount of revenue can be measured reliably;
- iv. It is probable that the economic benefits associated with the transaction will flow to the company;
- v. The cost incurred or to be incurred in respect of the transaction can be measured reliably.

Other non-operating income has been recognized on accrual basis.

3.13 Borrowing Cost

Borrowing cost is recognized as expense in the period in which they are incurred unless capitalization of such is allowed under IAS-23 Borrowing cost.

3.14 Earnings Per Share

The Company calculates Earnings Per Shares (EPS) in accordance with IAS-32 & 33 "Diluted Earnings Per Share" & "Earnings per Shares" which has been shown on the face of Statement of Comprehensive Income and, the computation of EPS is stated in Note 42 Earning per share (EPS) has been computed by dividing the profit after tax (PAT) by the number of ordinary shares outstanding as on June 30, 2025 as per IAS-33 "Earnings per Shares".

3.15 Basic Earnings/Loss

This represents earnings/loss for the year attributable to ordinary shareholders. As there was no preference dividend, minority interest or extra ordinary items, the net profit / loss after tax for the year has been considered as fully attributable to the ordinary shareholders.

3.16 Statement of Cash Flows

Statement of Cash Flows is prepared principally in accordance with IAS 7 "Statement of Cash Flows" and the cash flow from the operating activities have been presented under direct method as prescribed by the Securities and Exchange Rules 1987 and considering the provision of Paragraph 19 of IAS 7 which provides that "Enterprise are Encouraged to Report Cash Flow From Operating Activities Using the Direct Method".

3.17 Events after the Reporting Period:

Events after the reporting period that provide additional information about the company's position at the date of statement of Financial Position or those that indicate the going concern assumption is not appropriate are reflected in the financial statements. Events after reporting that are not adjusting events are disclosed in the notes when material.

3.18 Employee Benefit

i. Defined Benefit Plan

The Company maintains an Unfunded Gratuity Scheme and deduct when retirement benefits are paid by the company. The employees are entitle to gratuity benefit after completion of minimum 5 years service in the company.

ii. Employee's Group Insurance

The company also has a Group Insurance Scheme for its permanent employees, premium for which is being charged to Statement of Comprehensive Income annually as per the insurance policy.

3.19 Directors' Responsibility Statement

The Board of Directors is responsible for the preparation and presentation of the Financial Statements under section 183 of the Companies Act, 1994 and as per the provision of 'The Framework for the Preparation and Presentation of Financial Statements' issued by the International Accounting Standards Committee (IASC).

3.20 Deviation of Revenue & EPS

The COGS ratio increased from 82.26% to 83.85%, primarily driven by under-utilization of production capacity. But during this period, Earnings Per Share (EPS) has been decreased significantly compared to the previous period due to fall in revenue generation where most of the fixed expenses were more or less the same, which resulted in fall of net profit for the year.

3.21 Deviation of NOCF

Net Operating Cash Flows is just the resultant figure of Cash Inflows and Outflows from Operating Activities. Therefore, Net Operating Cash Flows increases, if only Cash Inflows is higher than Cash Outflows in a particular period and vice versa.

Net Operating Cash Flows has been increased Tk. 0.99 to Tk. 2.97 because of decreased Income Tax Paid, financial expenses, Foreign Exchange Loss otherwise there were no significant deviation found.

3.22 General

i. Figures have been rounded off to the nearest taka.

ii. Previous period's/year's figures have been rearranged wherever considered necessary to ensure comparability with the current year.

iii. The Company publishes its quarterly accounts as per IASs 34 "Interim Financial Reporting" and the Bangladesh Securities and Exchange Commission (BSEC) Notification No. BSEC/CMRRCD/2006-158/208/Admin/81 dated 20 June 2018.
